PMR
Customer Service
Directory

PMR has implemented new systems to improve the level of service that our valued customers receive. Job responsibilities have also been divided up to streamline and speed up your request. Each of our customer service people now has a direct number at which they can be reached. We are also now using instant messaging and encouraging our customers to contact us using IM to speed up simple requests. We are committed to giving you the best service in the industry. Please let us know how we can help you today!
